Hi all,

Attached is an outline for a one pager, which was requested on our call today with OCIR. This is just a format, and I added some existing material, but please edit freely. If R5 and OGC can each send me one set of comments, I can consolidate with those from OAQPS. Please respond by COB Tuesday, or let me know if that will be a problem.

Thanks,
 Sara

Hi All,

Scott and I just talked and thought it would be a good idea have a pre-call prior to the Friday call
Matthew Davis invited us to.

Attached are the latest Wisconsin recommendations for designating areas for the 2015 O3 standard, a letter from Wisconsin dated June 27, 2013 requesting EPA to "reconsider" the O3 nonattainment boundary for Sheboygan County for the 1997 and 2008 O3 standards, and a briefing paper developed in response to that letter.

I hope a half-hour will allow us enough time to cover all of this, it was the only time we all had open.

Doug
